### **HOW IT WORKS**

#### If you shop for your clients:

We appreciate your business and want to reward you for choosing Jabara's Carpet Outlet. Qualified enrolled interior designers who present a membership card at the time of purchase will receive a 5% discount on all qualified full priced materials. Discount applies to materials only. Does not apply to installation services and labor. Coupons, sale and promotional items are exempt from this program.

#### If you select items for your clients to purchase on their own:

Enrolled interior designers who refer clients to Jabara's will receive a referral fee equivalent to 5% of total full priced materials purchased per sale. Referral rewards will be paid in the form of a check within 60 days of purchase, upon payment in full and delivery of products. Discount applies to materials only. Does not apply to installation services and labor. Coupons, sale and promotional items are exempt from this program.

To ensure smooth cashiering of a referred purchase in the event of a designer's absence during a client sale, the designer must coordinate a buying appointment between the client and Jabara's. To facilitate this process, Jabara's will provide referral/appointment cards for designers to share with clients, conveniently entering the date and time of appointment and membership information for recording and cashiering eligible purchases.

#### Exclusions:

The 5% member rewards discount or commission is on materials only and does not apply to labor, installation or services. The 5% discount can't be combined with any other sale offers, discounts, coupons, sale items, and promotional sales and events. Jabara's reserves the right to exclude rewards on any product at their discretion.
